For this season we propose to highlight the dance recital along with the school ArtsSmarts program in February. With this in mind, we will incorporate costumes for recital with costumes either in stock or as figured out with families. So there will be no set dance costume fee, however costume pieces may need to be brought from home or arranged separately between the instructor and parents.

### DANCE CLASS DESCRIPTIONS:

**Creative Movement** - classes for children ages 4 - 5 to learn the foundations of rhythm and dance.

**Jazz** - traditional Jazz dance classes

**Hip Hop** - a cool hip dance discipline incorporating elements of B-Boying and traditional hip hop.

**Kids Musical** - students have opportunity to help choose a spring musical presentation (which would be a Junior version of familiar classics), and then rehearse songs, acting, and dance choreo based on the music.

**Richard** will direct the production, **Kimberly Harms** to direct vocals, **Ruth Barker & Tristan Klassen** to direct choreography.
