## Competative, Advanced, Performance, and New Opportunities

### Musical Theatre

Musical Theatre students have the opportunity to work with multiple directors on vocals, choreo, and acting. The class has expanded to a fuller rehearsal period.

### Jazz Exams

Interested in Jazz Examinations? Talk with Vanessa about opportunities.

### Belly Dancing

For students interested in developing core strength in a fun environment.

### Contemporary

For the older Contemporary classes (PreTeen & Teen), an additional technique or body toning class is required. Students either have the option to take a second class during the week or the "Stretch" Class offered on Mondays. Stretch is also open to others who would like to take a body toning and strengthening class.

Red indicates alternate studio location - TBA
