August 21 - 25

# Summer Specialty Camp

DanceWorks is excited to collaborate with X-Company to provide a week of unique and fun workshops you might not get just anywhere. When registering, specialty campers will have the choice of 4 workshop options to choose from for a week of fun.

At the end of the week, campers will have opportunity to present their week's work during the Corn & Apple Youth Stage's All-Style Dance Competition activities. If campers feel ambitious enough, they also have opportunity to participate in the competition, however involvement in the competition is not required.

Campers also have the opportunity to join us on the DanceWorks float during the Corn & Apple parade and perhaps pull off a flash mob as a treat to the parade route viewers.

Instructors for the camp include:

Bretton Selent

Lindsay Selent (pending interest)

## CAMP REGISTRATION COST

Specialty Camp Registration:

Single Registration: \$150 plus GST

2nd Family Member: \$135 plus GST
